

**REMARKS**

This case has been carefully reviewed and analyzed in view of the Official Action dated August 25, 2004.

The Examiner has rejected claims 1-8 under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claims 1-8 have been amended in order to overcome the rejection.

It is now believed that the subject Patent Application has been placed in condition of allowance, and such action is respectfully requested.

Respectfully submitted,

  
Signature
